Winter Sports

History was made this year when the **boys ice hockey** team captured its first ever MIAA Division 2 state championship, winning 4-3 in overtime versus Stoneham. A commemorative section can be found on pages 42-43.

The **wrestling team** went 26-3 on the season and won their seventh Patriot League title in a row. The wrestling team finished 2nd in the Division-2 Sectionals and 3rd in the state dual meet championships.

The **dance team** had a historic season winning 1st place at the New England Dance Competition at Emmanuel College and 2nd place at the New England Interscholastic Dance Championship in the Pom Division.

The boys **track team** finished 2nd place in the Partiot League. Andrew Wagner, and Carter Nevulis were named league All Stars. The girls team won their first ever league championship in winter track. Meg Gallerani, Miranda Murphy, Jill Callahan, Ella Grey, and Kendra McIntosh were named league All Stars; Kendra was also named league MVP. The shuttle hurdle relay team of Meg Gallerani, Anna Hajnasr, Kendra McIntosh, and Ella Grey qualified for the New Balance National Championships and competed in NYC.

The **boys basketball team** competed hard all season. A notable highlight was the 60-58 win vs Pembroke, which was a back and forth game all night. Junior Sean Spiegel scored the game winner in the lane as time expired. The Panthers had numerous underclassmen contribute all season long. The seniors will be missed, but the future looks bright.

The **girls hockey team** bounced back from a tough season last year to place second in the league and to qualify for the state tournament. The graduating seniors were the first to have played four years for the program. Kayla Donovan, Jordan Colbert, and Kelsey Routhier were named Patriot League All-Stars. Molly Costello was a league sportsmanship award winner, and Kat Lombardo received the Scholar-Athlete award.

Teja Andrews represented the **girls basketball team** as a Patriot League All-Star. Marykate Bochman recieved the Patriot League Scholar-Athlete award, and Jess Holland was the Patriot Leauge Sportsmanship recipient. The Panthers had a big win on Senior Night to close out the home stand against North Quincy. All 5 seniors, Hannah Whalen, Brandi Andrews, Kelsey O'Connell, Jess Holland, and Emily Duffley, were an integral part to the win.

The **cheer team** cheered for all home boys basketball games and participated in a community service day at Proprietors Green Assisted Living in Marshfield where they alsp performed for the residents. The competition team headed to Lowell for a cheer invitational and then on to Duxbury for their League Competition. They placed for Regionals, and it truly was a special night.

2017-2018 MIAA Division 2

State Champions

Boys Ice Hockey

In a back and forth contest, South took a 2-1 lead after the first period on goals from Joey Van Winkle and Jake Worrick. Stoneham stormed back for a 3-2 lead after two periods of play. However, South took over in the third. Stellar goaltending from Cam McPhee held Stoneham scoreless the remainder of the game. The South comeback came alive when an Alex Hayward tip-in tied the game at 3 off a Peter Fantoni shot. Overtime was needed to decide a winner. Enter Alex Hayward again, who buried the game winning goal to give South its first ever state championship in boys hockey history.

My life at Plymouth Public High Schools has has been quite a ride for the last four yea I spent the first two years at Plymouth No at a new school, learning the layout with the other freshmen there, making friends along the way. Halfway through sophomo year, I had the decision to apply to the Electrical Studies Program at South. I to that opportunity and in junior year, I was with a group of sophomores learning the trade, preparing us for our futures. I can express my gratitude enough for those w allowed my to continue my studies in electrical, but also those at South that welcomed me with open arms.
Thank you.

Katherine Rose Lombardo

Katherine, Oh Katherine, how can it be
you're graduating high school – but wait - weren't you just 3?
You are known to many as Kat Lombardo the goalie with the "killer stare"
But little do they know they could also try and call you Sissy, Kate or Ursula 2 if they dare!

My, how time has flown, and how much you have grown.
Oh, the memories you have made that will soon fade away
But come back when you hear of these stories so dear:

Nana and Papa Lombardo's house, visiting with all the Hastings Family,
The move to Plymouth, The "442" and The "Icemen", The Woodside School,
Indian Brook then Scared Heart, Uncle Val and Aunt Doreen
8am Mass at St. B's and those 7 summers at Camp Merrie-Woode were just so keen!
Ski Trips with Mom, Dad, Bethie, Peter, Margaret, "Senior" and Michael
They couldn't keep you off the slopes and you nearly turned into an icicle!
The story of the Meteorologist and Criminal, watching the gang play pitch,
the Cerulean Blue crayon, your dog Stowe, Pizza at WHB and how the black flies did itch!

Working with Coach Gustin since you were in seventh grade
He gave you the nickname "Kat" which has stuck and hopefully never fade!

What a great day it was when you met Dr. Chris Campbell
to discover all that Plymouth South had to offer and my how the halls they did ramble!
How about Mrs. Degelder a great teacher and coach, never being too tough,
Then there is Mr. Fust and his "don't yawn guys, this is dope stuff!"
Who could forget Oktoberfest 2017, what great memories were made there!
Everyone watched as the wall of the old school gym crumbled into thin air
Then there is Coach Wright-Ward - a coach like none could compare
and you as the Plymouth Division 1 Ice Hockey Goalie extraordinaire!

So how do you do all that you do -
from juggling: Field Hockey, Tennis, Ice Hockey and those 7 AP courses you aced
to remaining in the top 10 of your class and always keeping a smile on your face!

Well, it's off to college for you and an exciting life ahead.
Always remember that God has a plan.
And that all of us back home are your biggest fans!

Ellen
